Divine and Glorious Music!

A CENTERING THOUGHT:

When in our music God is glorified, and adoration leaves no room for pride, it is as though the whole creation cried Alleluia!

How often, making music, we have found a new dimension in the world of sound, as worship moved us to a more profound Alleluia!

So has the church, in liturgy and song, in faith and love, through centuries of wrong, borne witness to the truth in every tongue, Alleluia!

Let every instrument be tuned for praise! Let all rejoice who have a voice to raise! And may God give us faith to sing always Alleluia!

Now children run through and make faces at me.
