Today's Service:
Legacy of Audacious Love

Freedom and justice cannot be parceled out in pieces to suit political convenience. I don't believe you can stand for freedom for one group of people and deny it to others.

— Coretta Scott King (June 23, 1994, at a press conference on the Employment Non-Discrimination Act of 1994)

Next Sunday's Service: **Choice & Agency**

49 years ago (January 22, 1973), in its ruling in Roe v. Wade, the U.S. Supreme Court gave people the right to access abortion legally all across the country. That right is now at risk. On this anniversary weekend, Rev. Paige Getty explores the religious commitment to protect and promote reproductive justice.
