I thought the earth
remembered me, she
took me back so tenderly, arranging
her dark skirts, her pockets
full of lichens and seeds.

Next Sunday's Service: Celebrating Blessings

At a time when so much seems broken and in need of healing, today we choose to celebrate blessings. As the Soul Matters team reminds us, "For us [UUs], blessings are not so much about giving something to each other as they are about helping each other notice all that's already been given."
